

# ***Come See Our New Look !!!***

Have you been to the Wedgefield Country Club Lately? If you haven't, please take a moment to stop by to see our brand new look and check out our new decor. Have one of our famous hamburgers while you're there!

Through a very simple conversation between Cindy Brewington (Food and Beverage Manager) and Ruth Moore, (Z-House Realty Group) a plan was born to give the country club a new look.

We would like to thank:

- ❖ The WHOA, Ricky Artes of Jeepers Den, and Earl Fleming who gave us the initial financial donations for the necessary paint and supplies.
- ❖ Ruth Moore and Charlene Minter (Century 21 Real Estate Professionals) donated the funds to have the bar stools re-upholstered and repainted.
- ❖ Ben Baker did the reupholstering and Chip Brewington did the repainting.
- ❖ Cindy Brewington and Ruth Moore, donated funds for the new decor and Lane Lauderback volunteered his time to hang the new pictures.

Our volunteer painting crew also deserves a big THANKS!

As we are still a "work in progress", John Mclean has generously started a "Carpet Fund. Every Friday night we will be having a 50/50 drawing and taking donations. All proceeds will go toward the purchase and installation of new carpeting for the Club. Stan King licensed electrical contractor will be donating some new light fixtures to be installed at a future date.
